Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy anticipates its crews starting to install gas mains and performing service upgrades throughout the entire project area on Monday. Questions or concerns regarding CenterPoint Energy's work should be directed to CenterPoint Energy Customer service.

Last week, City crews completed the water main valve replacements on Ewing Avenue from West 60th Street to West 62nd Street. They will continue to work south on Ewing Avenue with water main upgrades.

City crews will also begin work on sanitary sewer repairs on Ewing Avenue. West 60th Street will be closed at Ewing Avenue and Drew Avenue on Thursday and Friday of next week for sanitary repairs. These will be large, deep holes so please avoid these two intersections while crews are working.

Please routinely check your front door for time-sensitive notices for water shut-offs, driveway access, etc.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or dnorthenscold@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscold
Engineering Technician
